INTRODUCTION

Atmos Nation is proud to present to you a new generation of vaporizers... AtmosRX® Thermo W.

We invite you to step into the many layers of our atmosphere with the new AtmosRX® Thermo W, the world's smallest portable concentrated essential oils vaporizer. Utilizing the most advanced technology available, Atmos Nation has developed the ultimate vaporizer. No need for butane or a lighter with the AtmosRX® Thermo W advanced vaping system. Simply fill your AtmosRX® Thermo W vaporizer and you are ready to vape in style.

GENERAL FUNCTIONS

Congratulations on purchasing the smallest and greatest concentrated essential oils vaporizer that this generation has ever seen! Created utilizing advanced technology and expertise, AtmosRX® Thermo W is a vaporizer like no other. AtmosRX® Thermo W heats and vaporizes your concentrated essential oils to achieve ultimate results. Easy and discreet to use, AtmosRX® Thermo W works in all conditions including a windy day on your boat, a rainy afternoon at the park, on top of a mountain, or just sitting on your couch! After the initial charge, a short two hour charge is needed to have the device ready for use. Simply fill your device's Atomizer with your concentrated essential oils, press down on the power button, and a short inhale is all you need to start enjoying your AtmosRX® Thermo W vaporizer.
