Charging your QuickDraw X3 Battery

- When the light on the Power Button blinks or will not turn on, it is time to charge your Battery.
- Unscrew the Battery from the Atomizer.
- Carefully screw the Battery into the USB Charger.
- Plug the USB Charger into any full-power USB port. Please note that not all USB ports deliver full power.
- For faster charging, plug the USB Charger into the AC Wall Adapter. Then plug the AC Wall Adapter into your electrical outlet.
- When the light on the USB Charger turns green, your Battery is ready to use!

Filling your QuickDraw X3

- Unscrew the Connector from the Atomizer.
- Use the Filling Tool to add your material directly onto the atomizer coil.
- Replace the Connector and Mouthpiece onto the Atomizer.
- Gently clean the atomizer with the Cleaning Tool between each use.

Your Atomizer is designed to last for multiple fillings, but if you begin to notice weaker vapor or a change in flavor, it may be time to replace it.

Please visit www.HoldYourFire.com or your favorite vaporizer store to purchase genuine QuickDraw replacement atomizers.

Unlocking your QuickDraw X3

- Your Battery has a LOCKING MECHANISM to make sure it does not activate when you do not want it to.
- To unlock, press the Power Button 5 times quickly.
- To lock, press the Power Button 5 times quickly again.

Using your QuickDraw X3

- Make sure the Battery is fully charged and unlocked.
- Make sure the Atomizer been filled.
DO NOT OVERFILL.
- Press the Power Button on the X3 and slowly inhale through the Mouthpiece.
- Release the Power Button when you are not inhaling.
